4. Network Trusts Conflict of Interests management policy is available on our website.
5. Judgment is exercised objectively by Andreas when recommending products from the above Product Suppliers.
6. When different Products, Product Suppliers, Providers or Representatives are compared, the comparison will be made clear. Andreas will not give inaccurate, unfair, or unsubstantial criticism/favour of any Financial Product, Product Supplier, or representative.
7. As required by legislation, we keep an updated disclosure register. This register details all financial and ownership interests that Andreas or Network Trust may become entitled to. It lists the business relationships that we have with the Product Suppliers and ensures transparency in our dealing with you. You may request a copy of this for inspection at any time.
8. Neither Network Trust nor Andreas hold more than a 10% share in any of the abovementioned product suppliers.

Section 4 Financial Planning Services and Products We Are Authorised to Engage In

Financial planning is a process that evaluates your current financial position against your financial needs, goals, and objectives. Andreas is qualified to and actively providing advice and intermediary services in the following areas since July 2004.

Risk Planning (Death, Disability, Illness, Income Protector)

Estate Planning

Retirement Planning

Health Products (Hospital Plans, Medical Aids)

Investment Products (Endowments, Investments, Tax Free Savings, RA's)

Group Schemes (Medical, Provident Funds, Pension Funds)

Personal Short-Term Insurance (Car & Home, GAP Cover)

Commercial Short-Term Insurance

Andreas may only recommend products from suppliers mentioned in Section 3 of this document. A product supplier means a company or division that issues financial products under a regulatory authority. These products are risk benefits, savings, investments, retirement funds, linked investments (unit trusts), short-term insurance, healthcare, wills, and trusts.
